The Sacramento Synchronized Swim Team, Inc. and U.S. Synchronized Swimming, Inc. are proud to partner with the Sacramento Valley Affiliate of Susan G. Komen for the Cure® and the California Skin Cancer Prevention Program to bring a unique and memorable event to California. From October 13-16, 2011, we will be highlighting the importance of breast and skin cancer prevention and the lifetime benefit of physical fitness and sun safety to synchronized swimmers at the 2011 U.S. Masters Championships. **The culminating event will be a Guinness World Record™ attempt of the largest synchronized swimming float formation, which is a fundraising event for Susan G. Komen for the Cure®.** This educational fundraising event requires a tremendous amount of dedication, effort, and coordination for this important cause. We are grateful for your monetary sponsorship or “in kind” donation to support this event. Donations are tax-deductible; Sac Synchro is a 501c(3) entity; **Tax ID 94-3062185.**
