"World's Largest Human Floating Pink Ribbon"

A fundraiser for Susan G. Komen for the Cure® Sacramento Valley Affiliate

October 13-16, 2011

Roseville Aquatic Center, Roseville, CA

Dear Community Leader,

This letter is a request to sponsor a magical, record making event. What started out as a sporting event has become so much more...

The Sacramento Synchronized Swim Team, Inc. and U.S. Synchronized Swimming, Inc. are proud to partner with the Sacramento Valley Affiliate of Susan G. Komen for the Cure® and the California Skin Cancer Prevention Program to bring a unique and memorable event to California. From October 13-16, 2011, we will be highlighting the importance of breast and skin cancer prevention and the lifetime benefit of physical fitness and sun safety to the athletes, officials and spectators of the 2011 U.S. Masters Championships. We are welcoming 400 leading athletes from the United States and international locations.

October is National Breast Cancer Awareness Month. Because of this, and in honor of breast cancer survivors, the culminating event of the championships will be a Guinness World Record™ attempt of the largest synchronized swimming float formation: "The World's Largest Human Floating Pink Ribbon," which is a fundraiser to benefit Susan G. Komen for the Cure®. More than 250 male and female athletes and breast cancer survivors will join together to be a part of this magical, record-breaking event to honor all mothers, sisters, daughters and friends affected by this dreadful disease. The attempt will be held on Saturday, October 15, 2011 with potential national and international media attention.

This educational fundraising event requires a tremendous amount of dedication, effort and coordination for this important cause. Your participation, no matter how big or small will help us make this event a success. Attached, you will find a list of sponsorship opportunities that will allow you to be a part of this magical, record-breaking event. We are grateful for your monetary sponsorship, in-kind donation of goods or services, and/or advertising in our Official Program.
